Chabad of Winnipeg Launches New After-School Jewish Enrichment Programs

Winnipeg, MB—Chabad of Winnipeg recently launched the Tzivot Hashem CKids Club, a new educational initiative that offers a host of cutting-edge after-school Jewish enrichment programs, empowering children to tap into their talents and interests while connecting to their own Jewish identity and impact.

Now, in time for the new year, the CKids Club is introducing a new curriculum titled *Adventure to the Holy Land*, which covers the story of the Jewish People as they travel from bondage in Egypt to freedom in the Land of Israel.

Adventure to the Holy Land has been developed to ensure that the content is both developmentally appropriate and user-friendly for our staff.

Of the new program, Rabbi Shmuly Altein of the Jewish Learning Centre said, “CKids Club is a place where children of the Winnipeg community engage with and connect to their Jewish heritage. I’m excited about *Adventure to the Holy Land* as I believe the kids will enjoy the well-rounded experience and find true and lasting value in the information they learn.”

Adventure to the Holy Land is designed to be taught through a diverse set of mediums, including drama, construction, STEM, and stop-motion animation. The curriculum comprises of four units (ten lessons altogether), each focusing on a different point in the sojourn of the Jewish People through the desert.

The CKids Club was made possible by a generous grant from the Irma Penn Jewish Educational Grant Pilot Project at the Jewish Foundation of Manitoba.

Interested parents may call 204-339-8737 or visit ChabadWinnipeg.org for registration and more information.
