

Jewish Community Calendar

AD SIZES AND PRICING | YEAR 5787 - 2026/27

Overview

Winnipeg's Jewish Calendar is published each year by Chabad-Lubavitch to coincide with the Jewish New Year, in September. The Jewish Calendar features more than 50 local businesses and contains a month-to-month schedule of candle lighting times, a guide to Jewish holidays, and information on community programs and services.

Why advertise in the Jewish Calendar?

- **Get seen in thousands of Jewish homes and businesses!** An advertisement in our stunning, Jewish art calendar is the smart way to promote your business to thousands of upper level consumers on a daily basis. Close to 4000 copies are distributed free-of-charge at local community centers, schools, supermarkets, businesses and mailboxes.
- **Advertise all year round!** While flyers and mail-outs are discarded after being read, our calendar sits on countless refrigerators and office desks ensuring your advertisement is always front and centre. In this fast paced digital world there is nothing like a brightly designed "real" ad hanging on the wall.
- **Make your advertising dollars count!** All proceeds go directly to serving the community. Our Jewish Learning Centre provides education, community outreach, and social service programming for families and individuals of all ages, backgrounds and affiliations. By advertising with us you support a great cause and make a positive impact in your local community.
