## “Match and Marry” To Be Screened At Upcoming Kosher Night Out

Get ready for an evening of fun, inspiration and laughter at a *Kosher Night Out* this coming Wednesday, February 1<sup>st</sup>, hosted by *Chabad-Lubavitch* at the Jewish Learning Centre. “This is the second of five memorable evenings of exquisite kosher cuisine and uplifting entertainment,” says Mrs. Adina Altein, director of *Chabad Torah Tots* and co-director of Chabad’s *Jewish Learning Institute*.

Guests at the upcoming *Kosher Night Out* will enjoy a delicious served dinner and a piping hot soup bar that will warm their winter spirits, followed by a fascinating film about the ancient tradition of matchmaking that is sure to inspire and entertain. The documentary features tales, anecdotes and surprises of matchmaking, dating and marriage.

Director Suzannah Warlick, examines the philosophy of marriage and the roles of men and women within Orthodox communities in the 21st century. Filmed mainly in Brooklyn and Manhattan, this documentary gives you a glimpse into the matchmaking, dating, and marriage in these tightly-knit worlds. Although the focus is on Jewish culture, the messages are universal. *Match and Marry* is a charming mosaic of the many issues involved in finding that special someone, and how to make it work from there on in.

Like all events at the Jewish Learning Centre, this event is open to the entire Jewish community; Jews of every part of the spectrum, the affiliated and the unaffiliated, will feel welcome and connected. The warm feelings of belonging and sharing and the uplifting sense of Jewish pride and identity that this evening will inspire are unparalleled.

Treat yourself and your family to a *Kosher Night Out!* Limited seats are available. For more information and to buy tickets, please visit [www.ChabadWinnipeg.org](http://www.ChabadWinnipeg.org).

The first debut of the 2012 *Kosher Night Out* series took place on Wednesday, January 11 and was a sold-out event. Close to 150 people packed into the Jewish Learning Centre for kosher food and entertainment. Using the finest ingredients, Chef Mike Oman took guests on an epicurean adventure to experience an unsurpassed level of taste and refinement. Then, guests were treated to a captivating address by one of the world’s top corporate keynote speakers, Kivi Bernhard. Described by a leading international speaker bureau as “one of the most promising and talented speakers in the world today”, Kivi Bernhard is known as an amalgamation of Crocodile Dun Dee and Jerry McGuire with a “*yalmuke*”.

A special thanks to the Rabbis, emcee Sara Korsonsky, Barry Kay of *Cherry Tree Productions*, the incredible team at *Chabad-Lubavitch*, our volunteers, sponsors and generous supporters for making the first *Kosher Night Out* a remarkable success and wonderful experience for everyone.
